

## St. Mary's Cathedral School Stewardship: Volunteer Opportunities

Tuition does not cover all the services necessary to educate the child and operate the school. **Forty (40) hours of volunteer time per family is required.** The reward for the hours spent at school includes the knowledge that the children see your witness, that you care about the school and that the school is helped through your assistance.

There are many opportunities for you to volunteer your time and talent. Please email the school secretary ([ortiz@stmarysamarillo.com](mailto:ortiz@stmarysamarillo.com)) if you would like to help in one or more of these areas:
