Dear Families,

Thank you for your part in yet another wonderful school year here at St. Mary's Cathedral School.

It is that time of the year when we begin assembling the classes, planning for staffing, and for programming needs for the next year, and your continued investment in a SMCS education provides a unique and safe, Catholic centered environment.

We value returning students, as they form an experienced base for our classes, serving as "leaders" and role models to the new students who will join us in the fall. In addition, we value returning families, as you contribute to the ever-growing sense of community at our school, where we are truly a Family@Heart! To reserve a place for your child in next year's class, you must complete the online RenWeb re-enrollment process through your ParentsWeb account.

We look forward to continuing and growing our relationships with our children and families!
